STORYLINES

Nick is the winningest manager in league history, and it's not close — 4 championships (2012, 2013, 2014, 2016), 3 runner-ups, 7 total top-2 finishes across 15 seasons. Also the only manager to appear on BOTH ends of the nailbiter club three separate times.

tomK is the ultimate boom-or-bust manager — 2 championships AND a league-worst 4 Sackos, the most of anyone. No middle ground.

2019 was the league's most volatile season — it produced both the single closest game ever (0.16) and the second-biggest blowout ever (111.98), in the same 14-week season.

MANAGER LEGACY II

CAREER WIN-LOSS • GFD ONLY, ALL 15 SEASONS

MANAGER	RECORD	WIN%	GAMES

garrett	94-82	.534	176

Grease Fire or Die only — computed from complete weekly game logs across all 15 GFD seasons (2011–2025, minus the unplayed 2013 attempt). Keeper League games are excluded entirely.

HEAD-TO-HEAD RIVALRIES

GFD only — all 15 seasons, every individual game cross-referenced.

MATCHUP	RECORD	MEETINGS
Nick (TheJob) vs. tomK	11-13	24
Carter vs. Stefan	**8-15**	23
Pat Carroll vs. tomK	11-12	23
Nick (TheJob) vs. Pat Carroll	8-15	23
Carter vs. Pat Carroll	**15-7**	22
Carter vs. tomK	12-9	21
Stefan vs. tomK	12-9	21
Pat Carroll vs. Stefan	9-12	21
Bryce vs. Carter	7-13	20
Bryce vs. Nick (TheJob)	8-12	20

Carter has beaten Pat Carroll 15 times in 22 meetings (68%) — the most one-sided long-running rivalry in GFD history. Meanwhile **Carter dominates Stefan just as hard in the other direction (8-15, Stefan winning)** — Carter's biggest strength and biggest weakness sit side by side in this data.

THE GRID

ALL-TIME HEAD-TO-HEAD MATRIX • GFD ONLY

Each cell shows the **row manager's** record against the **column manager**, across all 15 Grease Fire or Die seasons (2011–2025, GFD only). Green = row manager winning that rivalry, red = row manager losing it. Blank cells mean the two managers never faced each other. Managers with only 1–2 tracked seasons (small sample) are excluded from this grid for readability.

THE DYNASTY

NICK'S 4 CHAMPIONSHIP ROSTERS • DRAFT DAY SQUADS

2012 CHAMPION

BEAT CARTER

Calvin Johnson, Cam Newton, Darren McFadden, Vernon Davis, Peyton Manning, Vincent Jackson, Reggie Bush, Percy Harvin, Shonn Greene, Eric Decker, Jets DEF, Mason Crosby, Joe Flacco, Nate Washington, Felix Jones, Justin Blackmon

2013 CHAMPION

DontCallitARepeat

Adrian Peterson, Tom Brady, A.J. Green, Reggie Wayne, DeMarco Murray, Stevie Johnson, Jared Cook, DeSean Jackson, Miles Austin, Steelers DEF, Knowshon Moreno, Dan Bailey, Shane Vereen, Michael Vick, Michael Bush, Jermaine Gresham

2014 CHAMPION

Thanks For The Veto

Matt Forte, Drew Brees, Alshon Jeffery, Vincent Jackson, Cordarrelle Patterson, Julian Edelman, Joique Bell, Greg Olsen, Trenton Richardson, Fred Jackson, 49ers DEF, Riley Cooper, Mason Crosby, James White, Kenny Britt, Alex Smith

2016 CHAMPION

Grabda'shipbydapussy

Antonio Brown, LeSean McCoy, Donte Moncrief, Carson Palmer, **Derrick Henry**, Devin Funchess, Vincent Jackson, Blair Walsh, Eddie Lacy, Julian Edelman, Arian Foster, Gary Barnidge, Tavon Austin, Christine Michael, Chiefs DEF, Matthew Stafford

Vincent Jackson appears on 3 of Nick's 4 title rosters (2012, 2013, 2016) — a real "lucky charm" pattern alongside his championship runs.

Spot the future star: Nick's 2016 title roster includes a rookie-year **Derrick Henry**, drafted years before his workhorse peak — a nice early value pick that happened to coincide with a championship.

Note: these are draft-day rosters, not necessarily the exact lineup at season's end (in-season trades/waivers aren't reflected) — full final rosters for these older seasons weren't pulled given the scope of 17 seasons.

WINNING MACHINES

NFL PLAYERS ON THE MOST WINNING-RECORD TEAMS

A "winning team" = the fantasy roster finished that season with more wins than losses. Based on draft-day rosters across all 15 GFD seasons.

RANK	PLAYER	WINNING TEAMS	SEASONS
1	Mike Evans	**7**	2015, 2017, 2018, 2019, 2021, 2023, 2024
1	Justin Tucker	**7**	2013, 2015, 2016, 2017, 2018, 2020, 2024
1	Derrick Henry	**7**	2016, 2017, 2019, 2020, 2021, 2023, 2024
1	Adam Thielen	**7**	2017, 2018, 2020, 2021, 2022, 2023, 2025
5	Travis Kelce	6	2018, 2019, 2020, 2022, 2023, 2024
5	Matt Ryan	6	2011, 2013, 2014, 2015, 2017, 2018
5	Marvin Jones Jr.	6	2016, 2017, 2018, 2019, 2021, 2022
5	Mark Ingram II	6	2011, 2012, 2015, 2017, 2020, 2022
5	Le'Veon Bell	6	2013, 2014, 2015, 2017, 2018, 2020
5	Keenan Allen	6	2014, 2016, 2017, 2020, 2024, 2025

Four-way tie at the top — Mike Evans, Justin Tucker, Derrick Henry, and Adam Thielen have each ridden 7 different winning-record rosters. Justin Tucker's presence here is a reminder that a reliable kicker quietly correlates with team success more than people give credit for.

Christian McCaffrey lands just outside the top 10 with **6 winning teams** of his own (2017, 2018, 2019, 2020, 2023, 2025) — elite, just not quite record-setting.

MORE FUN FACTS

DEEP CUTS FROM 15 SEASONS OF DRAFT DATA

MOST DRAFTED PLAYER EVER

Aaron Rodgers

Drafted **14 times** by **10 different managers** across league history. Runner-up tier at 12x each: Tom Brady, Mike Evans, Keenan Allen, Justin Tucker, Julio Jones, DeAndre Hopkins.

MOST UNIVERSALLY POPULAR PICK

Aaron Rodgers (again)

10 of the league's managers have drafted him at some point in league history — Justin Tucker is right behind, also drafted by 10 different managers.

THE CURSED PICKS

Players who landed on a **last-place (Sacko)** team **3 separate times**: Zach Ertz, Percy Harvin, Matthew Stafford, Bilal Powell, Amari Cooper, and the 49ers DEF. Rough company to be in.

BIGGEST ROUND-1-TO-SACKO PIPELINE

Todd Gurley (2016) — drafted in Round 1 onto "The Shooting Ropes," which finished a league-worst **2-11** that season. Other first-rounders who couldn't save their team: Jordy Nelson (2017, 3-10), A.J. Brown (2023, 4-10), and **Christian McCaffrey (2024, 4-10)**.

BY THE NUMBERS

756 different real NFL players have been drafted across all 15 GFD seasons.
Texans, Seahawks, and Bears DEF each rode to a winning record 4 times — the most of any defense/special-teams unit.

Bryce drafting Stephen Gostkowski 5 times across 2013–2018 is the most obsessive repeat pick in league history — a kicker, of all positions.

Pat Carroll, Carter, and tomK are dead even at the top of career GFD picks (236 apiece) — all three have been in the league since near its founding.
